Mt. San Antonio College Phlebotomy Program
1100 N. Grand Ave
Walnut, CA, 91789-1399

Dear Ms. Meggelin,

The phlebotomy program renewal application for Mt. San Antonio College Phlebotomy Training Program was received by Laboratory Field Services on June 20, 2014. After review of the final documents received, LFS has renewed the Mt. San Antonio College Phlebotomy Program, (Full 40 hr Didactic, separate 20 hr Advanced didactic and 40 hr Externship) to train phlebotomists and is effective through October 7, 2016.

The renewal is pursuant to the California Business and Professions Code, Sections 1242, 1242.5, 1246 and 1269, the Health and Safety Code, Section 120580, and the California Code of Regulations (CCR), Title 17, Sections 1029.31, 1029.32, 1029.33, 1029.34, 1029.108, 1029.116, 1029.124, 1029.132, 1029.133, 1029.154, 1029.195, 1031.4, 1031.5, 1031.7, 1034, and 1035.1

This approval is granted specifically to train individuals in the techniques of withdrawal of blood including venipunctures and skin punctures for the purpose of clinical testing.

Please ensure that within thirty days, the program notifies our Los Angeles office in writing when there are changes in your Phlebotomy Program as described in CCR Title 17, 1035.1 (o) and (a) to (h).

Reportable changes include:

- 1. Changes in the phlebotomy program director or instructor.**
- 2. Change in ownership**
- 3. Change of address of the phlebotomy training program**
- 4. Changes in training site locations prior to commencement of training**
- 5. Any major change in the didactic, demonstration or practical training content of the phlebotomy training program must be approved by LFS prior to commencement of such training.**
